

【発音講座】 Day 53 スクリプトでアウトプット

1.音声変化とあなたの発音しにくい音をカタカナで書き込みましょう。

Michael Collins,

the American astronaut who was the
command-module pilot

for the Apollo 11 mission to the moon
has died.

His family said

he'd been fighting cancer

when he passed away at 90 years old.

Some called Collins the loneliest man
in history,

but he said he enjoyed the solitude of
orbiting the moon alone

while his two colleagues were the first
to walk on the lunar surface.
