Well, even though it's probably not appropriate
to party like a rock star—

because of COVID, of course—

well, you can now at least like a queen.

Queen Elizabeth II,

or rather, her estate—

has launched two types of beers;

an India pale ale and a bitter.

The Sandringham Estate in eastern England,

where the royal family usually celebrates
Christmas,

says the brews are now on sale at the gift shop.

Cheers.
