

【発音講座】 Day 59 スクリプトでアウトプット

1.スクリプトに音声変化や苦手な発音を書き込みましょう。

After month of tight travel restrictions in England,

there's some good news

for holidaymakers wanting to go abroad.

Travelers can now visit 12 “green list” countries,

starting May 17,

without having to quarantine upon return.

Portugal, Australia, Israel—

just some of the destinations that made the list.

Other countries, though,

placed on “red” or “amber” lists

will require tougher restrictions.
