

【発音講座】 Day 62 スクリプトでアウトプット

1.音声変化や難しい発音を書き込んで、音読練習しましょう。

Portugal has just opened the world's longest pedestrian bridge.

The hanging structure spans 560 meters,

is more than 150 meters high,

and took three years to build.

Now, as you walk,

[you] look down through that grated deck

at the waterfall, a gorge, and a river below.

A crossing takes about 10 minutes

— unless you get frozen with vertigo.
