(be) stuck

magnificent

Good on...

A 7-year-old Greek boy is trying to spread some joy in the midst of the stress of being locked down during these challenging times. Take a listen. And the piece you are listening to is called "Isolation Waltz." Stelios's father says his son wrote the piece to support those suffering from the virus as well as those stuck at home. Magnificent. Good on him.

A 7-year-old Greek boy is trying to spread some joy  
in the midst of the stress of being locked down  
during these challenging times.

Take a listen.

And the piece you are listening to  
is called "Isolation Waltz."

Stelios's father says

his son wrote the piece

to support those suffering from the virus

as well as those stuck at home.

Magnificent.

Good on him
