For the first time, a woman will start the Olympic torch relay. Olympic shooting champion Anna Korakaki will start the torch's epic journey from Greece to Japan and, of course, the Tokyo 2020 Games. Korakaki won gold in the previous Olympics for her marksmanship and is returning to defend her title. The final carrier of the flame will also be a woman, 2016 pole-vault champion Katerina Stefanidi.

For the first time,

a woman will start the Olympic torch relay.

Olympic shooting champion Anna Korakaki

will start the torch's epic journey

from Greece to Japan and, of course, the Tokyo 2020 Games.

Korakaki won gold in the previous Olympics

for her marksmanship

and is returning to defend her title.

The final carrier of the flame will also be a woman,

2016 pole-vault champion Katerina Stefanidi.
