Good for...

Out of Italy, an incredible story of determination to defeat this virus: a 102-year-old woman discharged from the hospital after recovering. Doctors say Italice Grondona is a symbol of hope for the elderly. She survived more than 20 days in the hospital and is now resting at home. The staff nicknamed her Highlander the Immortal for her strength and her endurance. Good for her.

Out of Italy,

an incredible story of determination

to defeat this virus:

a 102-year-old woman discharged from the hospital

after recovering.

Doctors say

Italica Grondona is a symbol of hope for the elderly.

She survived more than 20 days in the hospital

and is now resting at home.

The staff nicknamed her Highlander the Immortal

for her strength and her endurance.

Good for her.
